

Pfleiderer: Outstanding Rating Result from Sustainalytics Once Again

Neumarkt, August 23, 2023 – PCF GmbH (Pfleiderer) has once again been recognized for its ESG achievements. ESG (Environmental, Social, and Governance) stands for Environment, Social, and Corporate Governance. Just like last year, the independent rating agency Morningstar / Sustainalytics has confirmed through their ESG risk assessment the excellent position and exemplary development of Pfleiderer in the field of sustainable corporate governance.

Improved to 2nd place out of 149 companies

In comparison to the previous year, the company was able to further improve its position to the highest rating level and continues to be among the champions in the international construction materials industry. After achieving a very good third place last year, Pfleiderer has now risen to the 2nd rank out of all 149 evaluated companies in the building materials sector. In the overall comparison, Pfleiderer ranks among the top 2 percent of all over 15,000 globally assessed companies.

Dr. Frank Herrmann, CEO of the Pfleiderer Group, explains:

"Pfleiderer's commitment to sustainability has a long tradition. For several years, we have firmly anchored this in our strategic direction and expanded as well as intensified our ESG activities. After numerous awards from external sources, I am pleased, along with the entire team, about the Sustainalytics rating improvement and the renewed top placement."

The complete rating from Morningstar / Sustainalytics can be viewed (search term PCF GmbH) at www.sustainalytics.com/esg-rating. Details and further information about sustainability at Pfleiderer are available at <https://www.pfleiderer.com/dach-en/sustainability>.

Press Release

About Pfleiderer

Pfleiderer is a leading manufacturer of premium engineered wood products, laminates and resins. Through its Engineered Wood Products division, the company produces premium wood and laminate products for fast-growing, high-end applications in the Western European kitchen, furniture and construction markets. Pfleiderer is also a leading producer of specialty and industrial resins through its Silekol division, which are used in Pfleiderer's own products and by external customers in the panel production, packaging, construction and building materials industries. Pfleiderer is headquartered in Neumarkt in der Oberpfalz, Germany, and employs around 2,200 staff primarily across five sites in Germany and one resin production site in Poland. The company has operated for over 125 years with sustainability and the renewable nature of wood at its core, with a strong focus on sustainable sourcing and manufacturing, reducing carbon emissions and protecting the environment.
